

## Become a Master Watershed Steward!

Join the first Watershed Stewards Academy (WSA) course in Calvert County. Sessions will begin in October 2020. If you'd like to learn more, please register for one of the virtual information sessions. Applications for the course will be due on Wednesday, September 9, 2020.

You don't have to be an expert, we'll show you the way! The WSA is a great opportunity to learn how to solve water quality problems in your community and join a local network of energized leaders.
